

## CORPORATE VOLUNTEER OPPORTUNITY

## BROOKLYN GREENWAY INITIATIVE'S CORPORATE VOLUNTEER PROGRAM

Brooklyn Greenway Initiative (BGI) relies on volunteers to support its stewardship activities on the Brooklyn Waterfront Greenway. Volunteers from your company can work alongside BGI's staff at various sites on the route and participate in:

- Planting shrubs and flowers
- Providing tree pit maintenance
- Removing weeds
- Assisting at major public events

Volunteer opportunities are available for short or long term projects, for groups of all sizes, and can be tailored to meet the specific needs and interests of your company. They are designed to be team building activities that are fun, lively, and get your hands a little dirty.

By taking part in BGI's Corporate Volunteer Program, volunteers will be:

- Giving back to the community
- Working together as a team
- Gaining a sense of accomplishment
- Enjoying a change of pace from their regular workday
- Ultimately, strengthening your corporate culture

“Target likes to give back to the community and seeing the positive response of people walking and riding along the Greenway and thanking us for our work was a real highlight.”

— Tony Roman, Target Group Vice President

### PROGRAM REQUIREMENTS

BGI requests a minimum of 10 volunteers and a donation from every corporation that participates in our Corporate Volunteer Program. Funds not only provide necessary supplies, materials and tools for each stewardship project, but also insure that the work we do can continue beyond each volunteer day.

BGI is a 501c3 non-profit organization and donations are tax deductible to the full extent of the law. Thank you!
